Worked examples

Three sentences that are **not** among the items you will annotate. Each shows the AI draft, how to rate it (before changing anything), and a good correction. Ratings are your own judgement: these show the idea, not the only right answer. These examples are for the items where you see drafts (Part 2). In Part 1 you see no drafts: write both versions yourself the way you would type them.

Example 1

KANNADA

ಆದಾಗ್ಯೂ, ಚಳಿಗಾಲದಲ್ಲಿ ಅವರು ವಿಭಿನ್ನ ರೀತಿಯ ಸೌಂದರ್ಯ ಮತ್ತು ಮೋಡಿ ಹೊಂದಿದ್ದಾರೆ, ಜೊತೆಗೆ ಅನೇಕ ಗಿರಿಧಾಮಗಳು ಆರೋಗ್ಯಕರ ಪ್ರಮಾಣದ ಹಿಮವನ್ನು ಪಡೆಯುತ್ತವೆ ಮತ್ತು ಹಿಮದ ಮೇಲೆ ಪ್ರಯಾಣ ಮಾಡುವಂತಹ ಮತ್ತು ಹಿಮದ ಮೇಲೆ ಜಾರುವಂತಹ ಚಟುವಟಿಕೆಗಳನ್ನು ನೀಡುತ್ತವೆ.

ENGLISH

However, they have a different kind of beauty and charm during winter, with many hill stations receiving healthy amounts of snow and offering activities such as skiing and snowboarding.

NATURAL ROMANIZATION: DRAFT

```
aadagyu, chaligatalli avaru vibhinna reetiya saundarya mattu modi hondiddare, jotege aneka giridhamagalu arogyakara pramanavannu himavannu ಪಡೆಯುತ್ತವೆ mattu himada mele prayana maduvanthaha mattu himada mele jaruvanthaha chatuvatikegalannu niduttave.
```

Rating: naturalness 2 · keeps the meaning: yes

NATURAL ROMANIZATION: CORRECTED

```
aadagyu, chaligaladalli avaru vibhinna reethiya saundarya mattu modi hondiddare, jothege aneka giridhamagalu arogyakara pramanada himavannu padeyuttave mattu himada mele prayana maduvanthaha mattu himada mele jaruvanthaha chatuvatikegalannu needuttave.
```

One word was left in Kannada script (ಪಡೆಯುತ್ತವೆ), "chaligatalli" is misspelt and "pramanavannu himavannu" does not read right. The meaning is all there, so meaning = yes, but nobody would type it like this: naturalness 2. The correction fixes only those words and keeps every Kannada word, in order.

KANGLISH: DRAFT

```
aadre chadigaladalli avru different type of beauty mattu magic hodhre, jothege thumba hill stations healthy amountalli snow get maadthave mattu snow mele travel maadtha iruvanthe mattu snow mele jaaruvanthe activities koda kodthave
```

Rating: naturalness 2 · keeps the meaning: no

KANGLISH: CORRECTED

```
aadre winter alli avakke bere thara beauty mattu charm ide, thumba hill stations alli olle snow beeltade, mattu skiing, snowboarding thara activities kooda irtave.
```

"hodhre" ("if they go") changes the meaning, "chadigaladalli" is misspelt, and "snow mele travel maadtha iruvanthe" is a clumsy way to say skiing. Meaning = no, naturalness 2. The correction uses the English words people really use on WhatsApp (winter, charm, skiing, snowboarding) and keeps the full meaning.

Example 2

KANNADA

ನನ್ನ 5 ವರ್ಷದ ಮಗುವನ್ನು ರಿಫ್ರೆಶ್ ಮಾಡಲು ಬೇಸಿಗೆಯ ಸಮಯದಲ್ಲಿ ನಾವು ತೆಗೆದುಕೊಂಡಿದ್ದೇವೆ ಮತ್ತು ಅವನು ಅದನ್ನು ತುಂಬಾ ಇಷ್ಟಪಡುತ್ತಾನೆ. ಇದು ಚಟುವಟಿಕೆ ಆಧಾರಿತ ಪುಸ್ತಕವಾಗಿದ್ದು, ಆಕರ್ಷಕ ಸಂಖ್ಯೆಯ ಆಕಾರ, ಪ್ರಾಣಿಗಳ ಚಿತ್ರಗಳನ್ನು ಹೊಂದಿದೆ.

ENGLISH

We have taken it in summer time to refresh my 5 yrs kid and he likes it very much. It is an activity oriented book with attractive number shapes, animal pictures.

NATURAL ROMANIZATION: DRAFT

```
nanna 5 varshada maguvannu refresh madalu bāsigeya samayalladi navu tegedukondiddave mattu avanu adannu tumba ishtapaduttane. idu chatuvatike adharita pustakavagiddu, akarshaka samkhyeya akara, pranigala chitragalannu hondide.
```

Rating: naturalness 3 · keeps the meaning: yes

NATURAL ROMANIZATION: CORRECTED

```
nanna 5 varshada maguvannu refresh madalu besigeya samayadalli navu tegedukondiddeve mattu avanu adannu tumba ishtapaduttane. idu chatuvatike adharita pustakavagiddu, akarshaka sankhyeya akara, pranigala chitragalannu hondide.
```

Mostly fine. Three small problems: "bāsigeya" has an accent mark (people do not type these on a phone) and the wrong vowel, "samayalladi" should be "samayadalli", and "tegedukondiddave" should be "tegedukondiddeve". Naturalness 3, meaning yes; fix just those words.

KANGLISH: DRAFT

```
nanna 5 years maguvannu refresh madoke summer timealli navu take madkondidivi mattu avnu adannu tumba istapatane. Idu activity based book agide, attractive numbers shape, animals images ondetu ide.
```

Rating: naturalness 3 · keeps the meaning: yes

KANGLISH: CORRECTED

```
nam 5 year maguge refresh agli anta summer alli idanna thogondvi, avnige tumba ishta aaytu. Idu activity based book, attractive number shapes, animal pictures ella ide.
```

The meaning is kept, but "take madkondidivi" and "ondetu ide" are not how people write. Naturalness 3, meaning yes. The correction is shorter and sounds like a real message.

Example 3

KANNADA

ಅಪಾರ್ಟ್‌ಮೆಂಟ್‌ನ ಒಳಗಡೆ ಯಾರೂ ಇರಲಿಲ್ಲ.

ENGLISH

No one was inside the apartment.

NATURAL ROMANIZATION: DRAFT

```
apartment n olagade yaaru irlilla.
```

Rating: naturalness 4 · keeps the meaning: yes

NATURAL ROMANIZATION: CORRECTED (LEFT UNCHANGED)

```
apartment n olagade yaaru irlilla.
```

This is how people type it. You might write "apartmentna" or "iralilla", but there is no single correct spelling, so the draft is left unchanged. Do not change a draft just to match your own spelling.
